The four friends. Tessa, Maxi, Tom and Paul are friends.

The four friends play together nicely and are kind to each other.

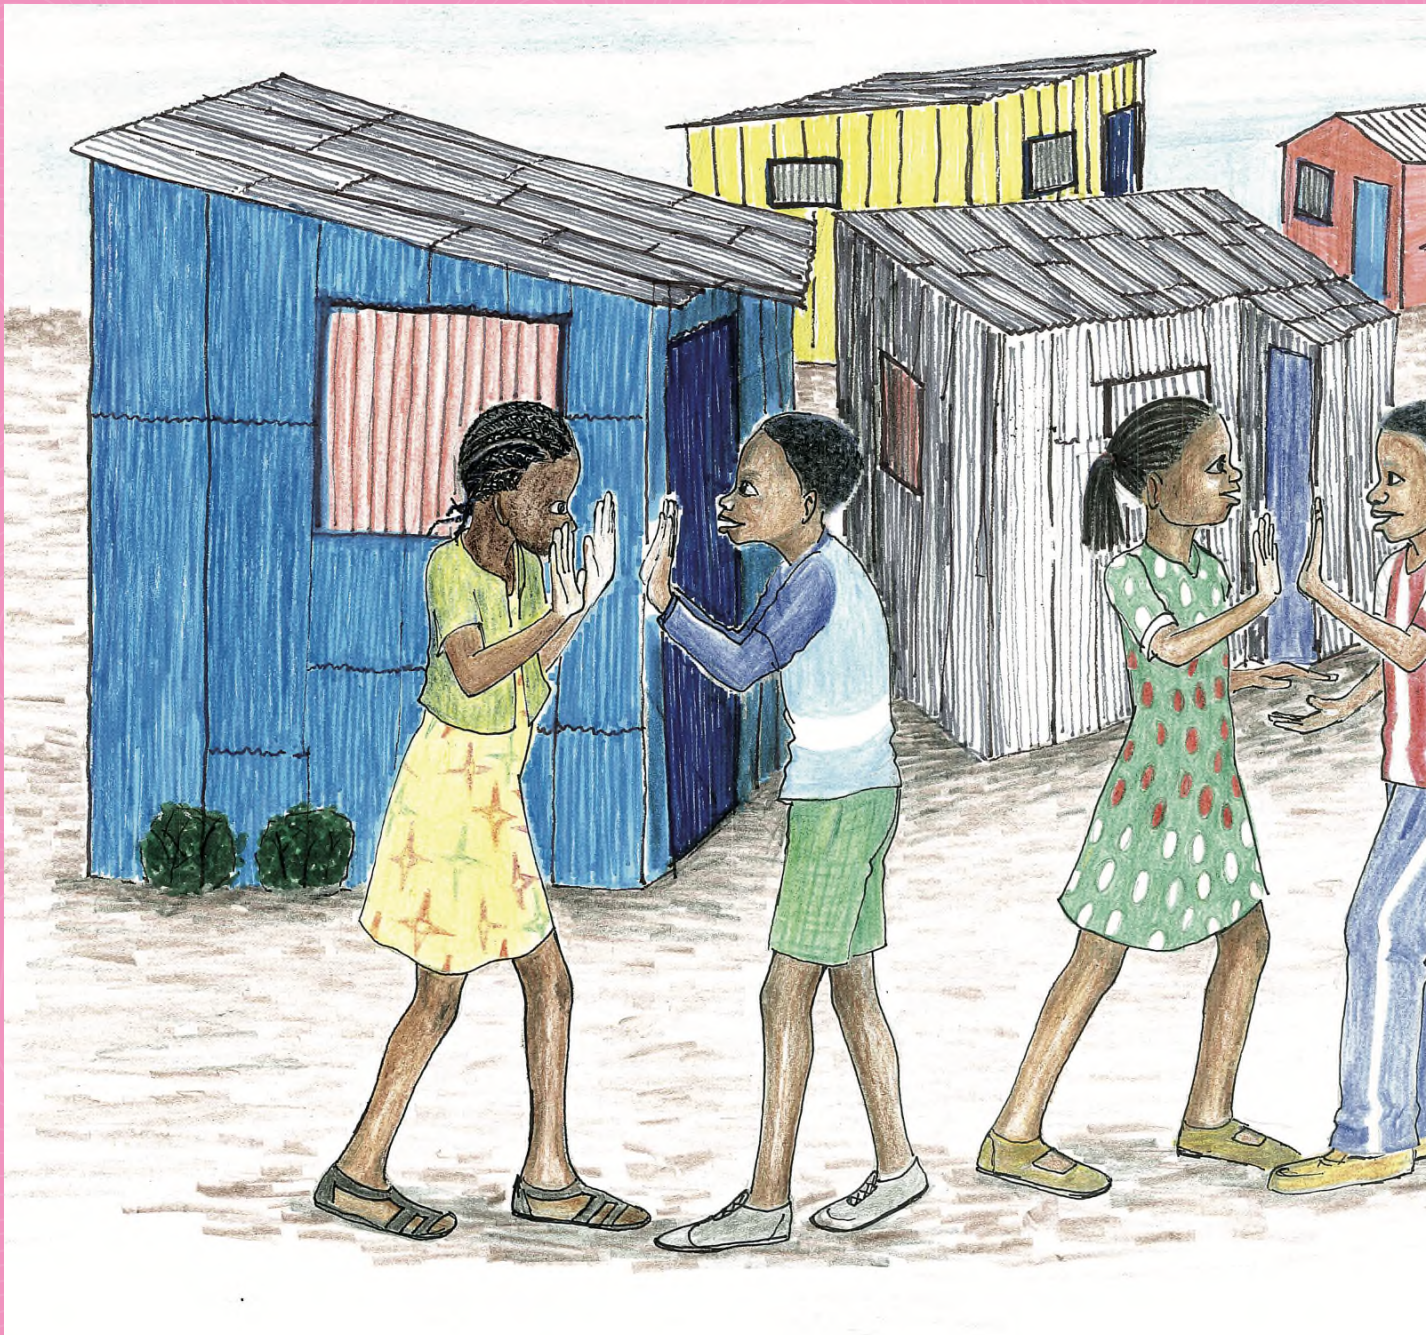

Today Maxi is feeling a little bit sad, because she lost one of her favourite dolls that her mother made for her.

Paul, Tessa and Tom noticed that Maxi was sad. They gave her a very big hug to cheer her up.

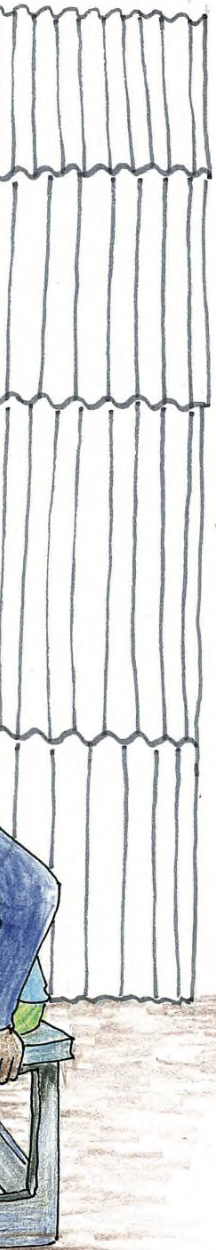

Maxi felt happy that she had such good and kind friends. The four friends continued to play together happily.

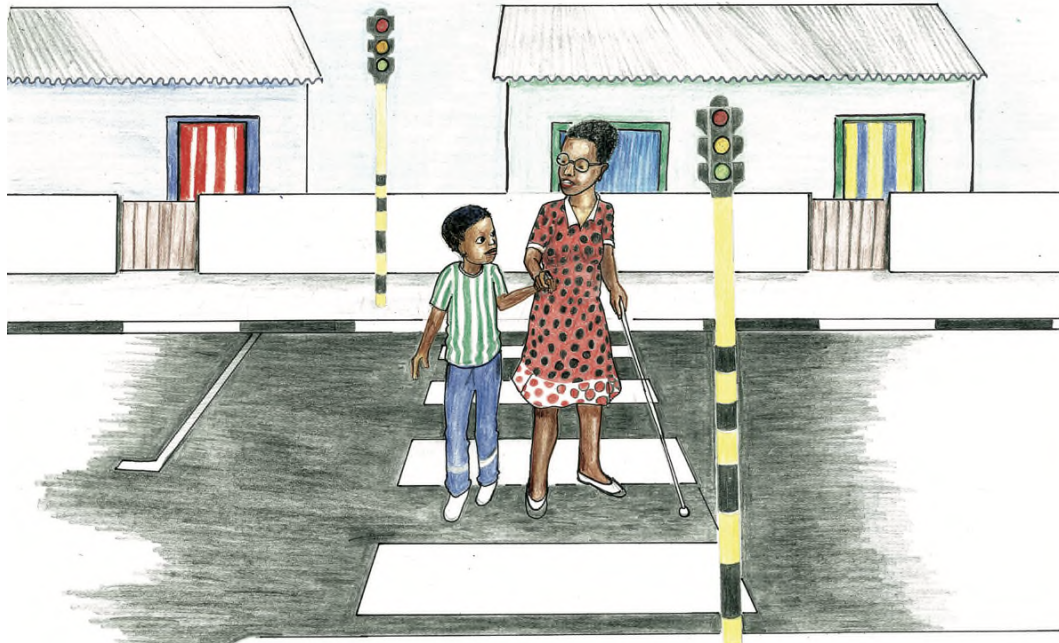

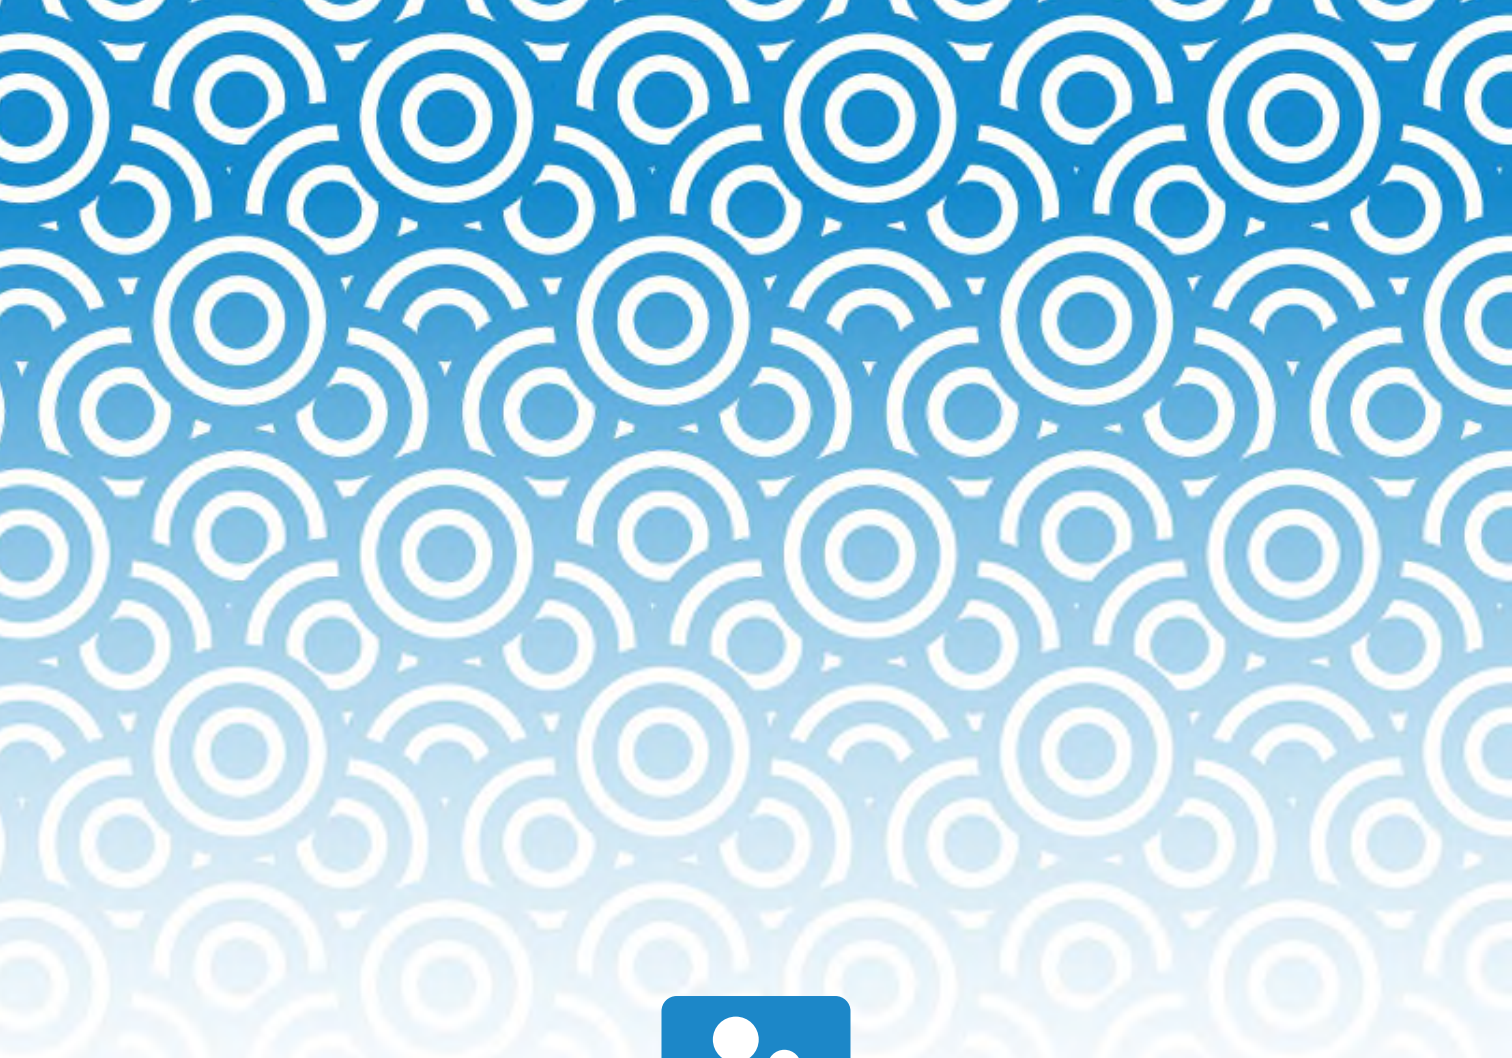

The friends talked about how it is important to be kind to each other and to other people.

The four friends also talked about how they feel loved and cared for when their parents, teachers, aunts, uncles and grandparents show them love, friendship and kindness.
