Today is a big day for Lena. It is her first day at school. “Good morning, Lena, wake up my girl!” Called Lena’s mother. Mummy had prepared some breakfast pap for Lena. “Here is your breakfast, Lena. You need energy for the day.” Said her mother.

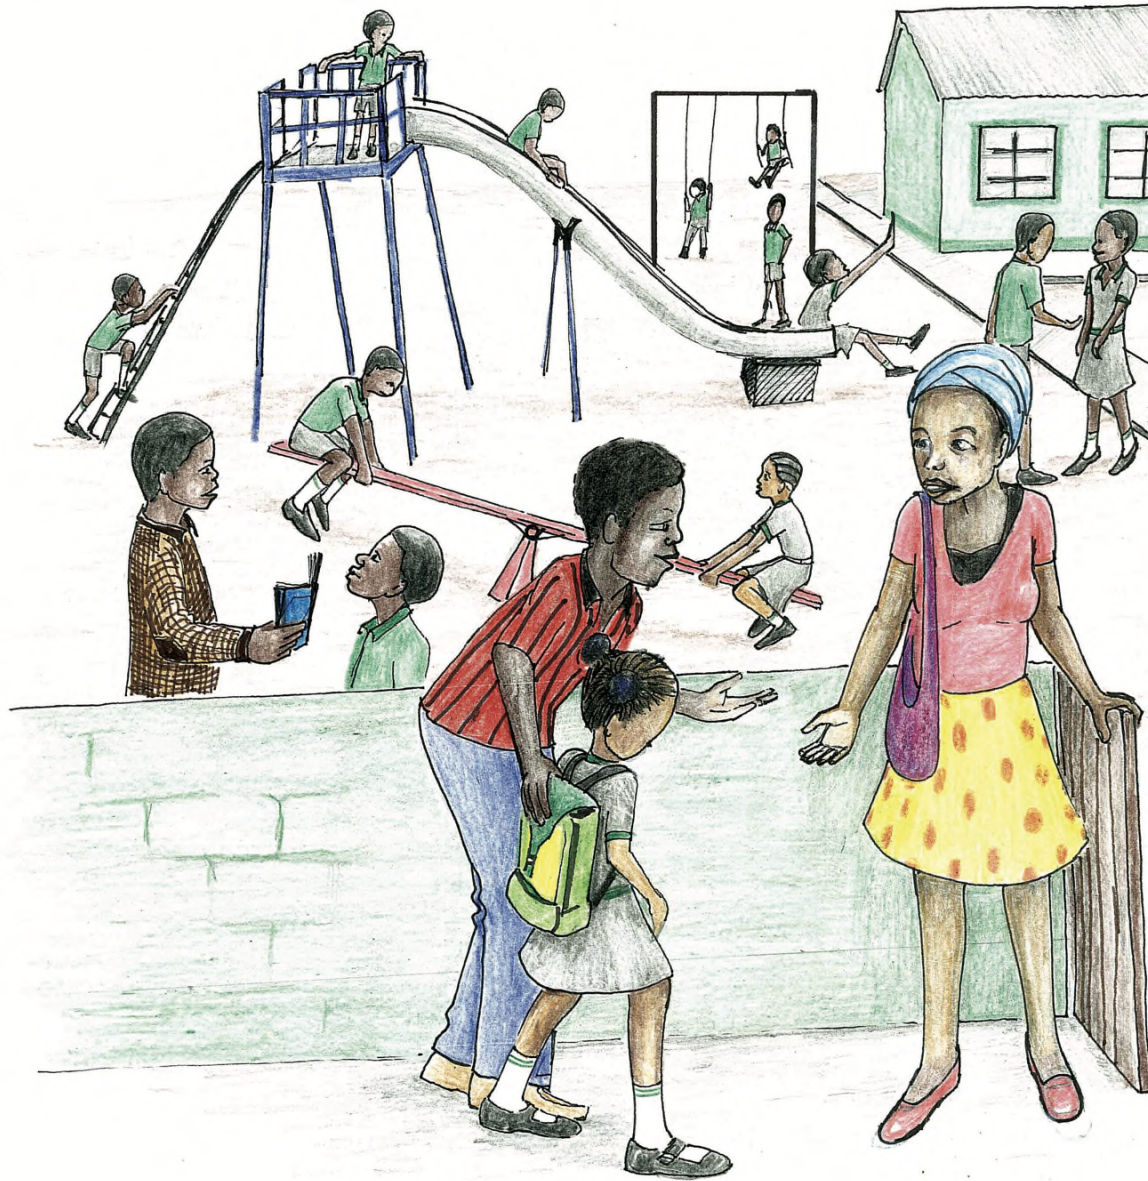

Lena ate her breakfast and drank some tea. She quickly washed her face, cleaned her teeth and got dressed. Mother prepared Lena's school bag.

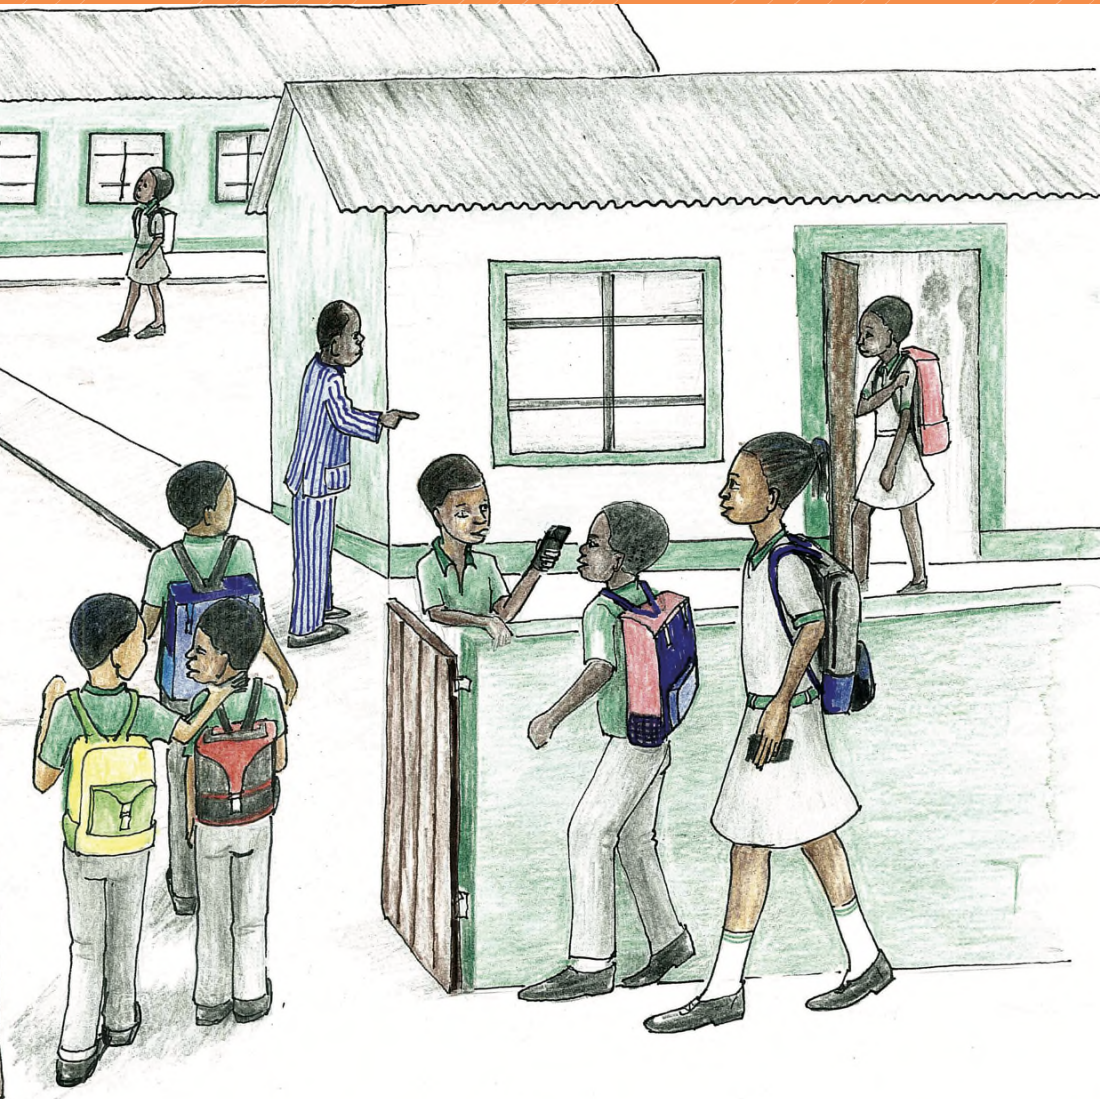

Father helps Lena with her shoelaces. “You are looking beautiful, my dear girl!” Said Lena’s father. Both father and mother hugged and kissed Lena. Mother said good bye and wished her a lovely first day at school. Father walked with Lena to school.

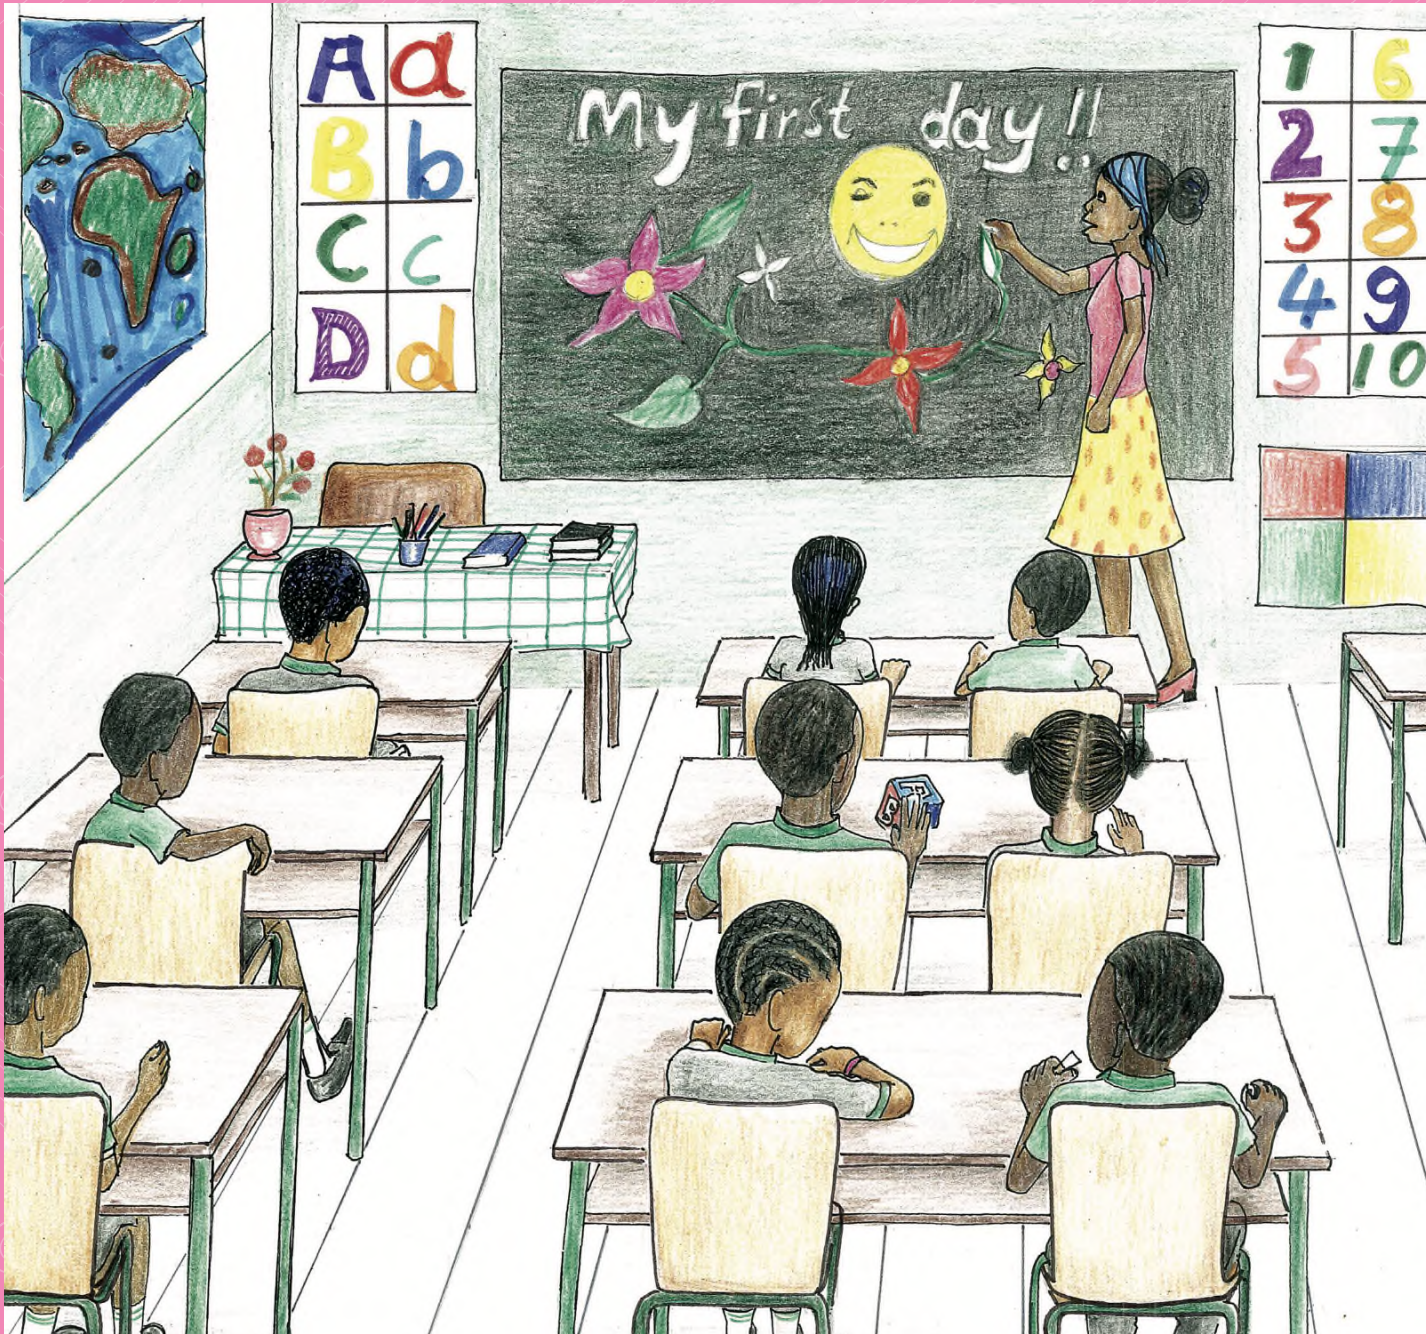

On her way to school Lena was nervous. She was thinking about all the new people she will meet. The teacher and other children. She wondered if today was also their first day at school.

The teacher, Ms Sofia, was standing at the gate. "Good morning, Lena. Welcome! My name is Ms Sofia and

I will be your teacher. Feel welcome at our school. You will have fun learning and meeting a lot of new friends.”
Father hugged Lena and wished her a lovely day.

“It is 8 O’clock! Let us start our first day.” Ms Sofia called Lena and the other children into the class.

“Good morning children. My name is Ms Sofia and I am your teacher.” Ms Sofia introduced herself.

Lena introduced herself; “My name is Lena and I am seven years old”. All the children also introduced themselves.

Ms Sofia told the children that in this class they will have fun learning many new things.

At 10:00 o'clock it was break time.

Lena and the other children played outside. They also had some time to eat the snacks they brought from home and drink water.

At 12:00 Ms Sofia said, “It is now time to go home.”

She thanked all the children for the good first day at school.

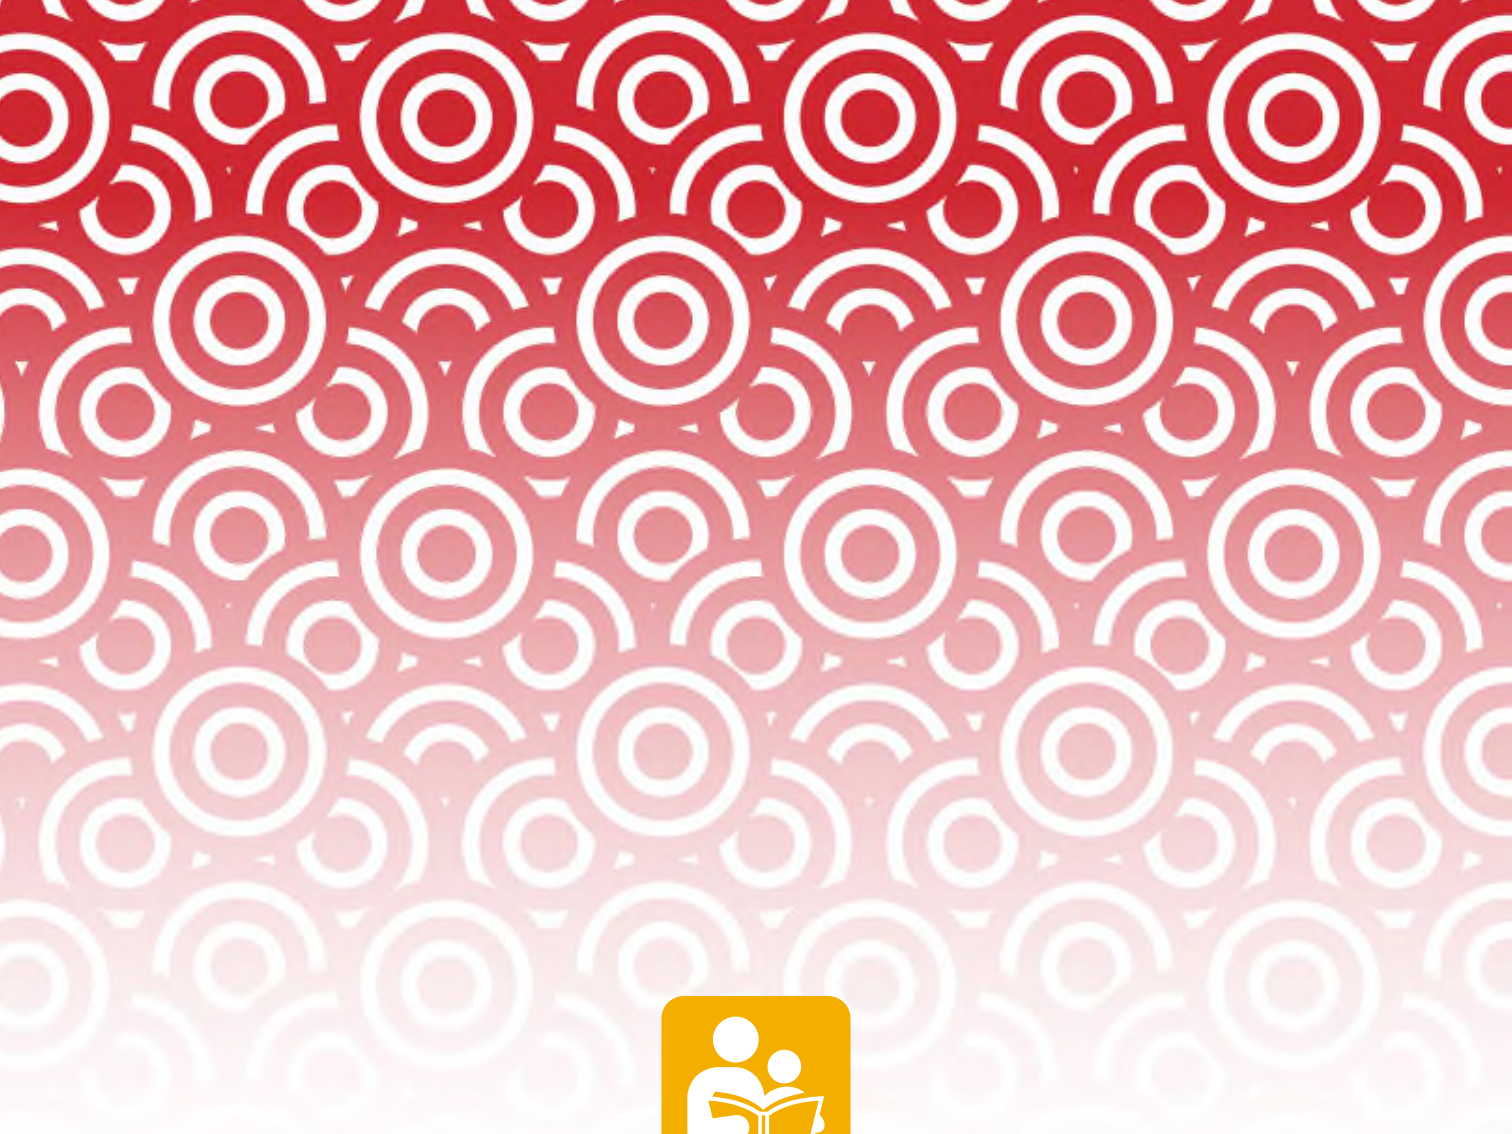

Mother and Father welcomed Lena home after school. Lena told them all about her day. Ms Sofia and how she played

with her new friends. Lena was excited and could not wait for the next day so she can go to school.

Mother and Father were happy that Lena had enjoyed her first day.
